Pole Star Space Application Limited
16/F Cheung Kong Centre,
2 Queen's Road Central,
Hong Kong

Dear Sir,

**Ship Security Alert System – DSAS with
PurpleFinder web-based vessel Tracking Software**

This is to confirm that the Polar Star Discreet Security Alert System incorporating PurpleFinder web-based vessel tracking software manufactured by Pole Star Space Applications Limited has completed a functional test by initiating an alert signal from M.T. "C. DREAM" and is found compatible with the reception facilities in the Marine Emergency and Maritime Rescue Co-ordination Centre of Hong Kong Marine Department. Thus, this ship security alert system together with the PurpleFinder software is acceptable to be installed on Hong Kong registered ships.

Yours faithfully,

(S.W. Cheung)

Senior Surveyor/Security & Quality Assurance
for Director of Marine
