07 November 2003

Dear Sirs,

SHIP SECURITY ALERT SYSTEM

Supplier: Pole Star Space Applications Limited
SSAS Product Name: DSAS
VERSION NUMBER: P4

We have inspected the above named system and consider that it meets the requirements of IMO Resolution MSC.136(76) and IMO Resolution MSC.147(77).

We have further tested the above named system against Regulation 6 of SOLAS XI-2 and consider that it complies with the requirements of the regulation.

We are pleased to say therefore that the above named system is acceptable to be used on ships of the UK register required to be provided with a ship security alert system.

Yours faithfully

K P Fisher
